The Board members discussed how their sections were going in their groups. Most of the discussion was on definitions. Lisa Schiske suggested if looking for definitions, many towns have their listed under e codes (electronic). Liz Conway offered to the members that if they come across a new term, that is not on the list of definitions, to send to her. Liz will compile the list of definitions and alphabetize them for reference. The Board thanked her for doing this.

Technical issues-Unable to do break out rooms to work on their specific sections. Will try again next month or if permissible will meet in person. Board members will continue to work on sections.
